Promise Big, Deliver Bigger!

Quality Done Right: Delivery on Time, Every Time.

CUSTOM SIGN SHOP

Our full service sign shop customizes signs of all shapes and sizes for any project. We can make:

- Signs with flat or extruded surfaces
- Signs with any reflectivity: high intensity, diamond, or engineer grade
- Signs to meet Nevada and California guidelines
- Signs for municipal governments and parks
- Signs for parking lots or private properties
- Custom vehicle and trailer graphics
- Banners and custom signs
- Political signs
- Blinker Signs

We also have sign hardware available for purchase. Please email signshop@ssbsnv.com for all your custom sign shop needs.

Silver State Barricade and Sign provides traffic control at road construction sites across Nevada and California.

We also create customized road signs in our full-service Custom Sign Shop, design company logos, and install vehicle graphics. And, we can rent signs, traffic cones, and other safety equipment.

We deliver top quality products and services while treating our customers with friendliness and pride.
